

Master Services Agreement

These terms and conditions, along with the agreement you executed with Telemitra, constitute the Agreement ("Agreement") between Telemitra Inc. ("Telemitra", "we", or "us") and the user ("you," "user" or "Customer") of Telemitra's services, consulting, support, and any related products ("Service"). This Agreement governs both the Service and any equipment used in conjunction with the Service. Telemitra may, at its discretion and without notice, modify, change, add to or omit any terms and conditions in this Agreement without advance notice to you. Your use of this Service after one (1) full billing cycle constitutes your agreement to such changes. Upon request, Telemitra will mail to you a paper copy of this Agreement. This Agreement shall be effective the later of (i) the date it is signed by Telemitra or (ii) you first begin to use the Service (the "Effective Date").

BY ACTIVATING OR USING THE SERVICE OR PRODUCTS, YOU REPRESENT THAT YOU ARE OF LEGAL AGE TO ENTER INTO THIS AGREEMENT AND THAT YOU HAVE READ AND UNDERSTAND FULLY ITS TERMS AND CONDITIONS. YOU WAIVE ANY RIGHT TO TRIAL BY JURY TO RESOLVE ANY DISPUTES THAT MAY ARISE UNDER OR IN CONNECTION WITH THIS AGREEMENT.

1. SERVICE

1.1 Terms.

(a) Monthly Terms: Unless 1.1b applies, Service is offered on a month to month basis that begins on the date Telemitra activates your Service, unless activation is delayed due to circumstances beyond the customer's control – then the term starts once the impediment to activation is removed and ends on the last day in the following month. Subsequent terms of this Agreement automatically renew on a monthly basis unless you give us written notice of non-renewal at least ten (10) days before the end of the monthly term in which the notice is given. You are purchasing the Service for full monthly terms, meaning that if you attempt to disconnect Service prior to the end of a monthly term, you will be responsible for the full month's charges to the end of the then-current term, including, without limitation, unbilled charges, plus a termination fee, if applicable, all of which will immediately become due and payable. You will also be responsible for the next full month's charges in the event that you do not provide the requisite ten-day notice of discontinuation prior to the expiration of the then current term. Expiration of the term, suspension or discontinuation of Service will not excuse you from paying all accrued and unpaid charges due under this Agreement.

(b) Term and Termination: Some products/services are available under a term agreement (Term). The Term starts on the day of the last billed new Service, or product (if applicable) whichever is later, and billing for Service commences when each Service is activated, unless activation is delayed due to circumstances beyond the customer's control— then the billing starts once the impediment to activation is removed. The Term and will automatically renew for successive terms equal to the initial term thereafter (in each case, a "Renewal Term"), until terminated in accordance with the remaining terms of this Agreement.

i. Either party may terminate a Term Agreement, for any reason or for no reason, at the end of the current term or any Renewal Term by providing the other party with not less than ninety (90) days prior written notice of termination.

ii. Either party may terminate a Term Agreement if the other party has committed a material breach of this Agreement, and such breach is not cured within thirty (30) days of the date the party in breach receives written notice of the breach. If we terminate this Agreement under this Section 1. (b) (ii) you shall pay us a termination fee equal to the sum of one hundred percent (100%) of the remaining minimum monthly fees that would have been incurred for the remainder of the Term of this Agreement (the "Termination Charge"), plus all fees incurred prior to the date of termination of services, plus any damages incurred by us as a result of your material breach.

iii. Before the end of the any term or Renewal Term, and without your breaching this Agreement, you may terminate a Term Agreement with respect to all Services by written notification to us. The Agreement shall terminate thirty (30) days thereafter, at which time you shall pay us a termination charge equal to the sum of one hundred percent (100%) of the remaining minimum monthly fees that would have been incurred for the remainder of the Term of this Agreement (the "Termination Charge"), plus all fees incurred prior to the date of termination of services. Provided that relevant Telemitra Vendor's terms permit such reduction, Customer has a right to reduce its Services requested without penalty if the reduction is related to a change in the Customer's business needs, and not to shift Services to a different provider.

1.2 Fair Use.

(a) Usage Review. Telemitra reserves the right to review usage of all its plans to ensure you are not abusing them. You agree to use Telemitra Services for normal purposes and will not employ methods or equipment to take advantage the Services by using the services excessively or for means not intended by Telemitra. Telemitra may

terminate Service immediately if it determines, in its sole discretion, you are abusing its services. We reserve the right to at any time enforce this policy.

1.3 Prohibited Uses.

(a) Unlawful. You shall use the Service and the Equipment only for lawful purposes. We reserve the right to immediately discontinue your Service without notice, if, in our sole and absolute discretion, we determine that you have used the Service or the Equipment for an unlawful purpose. In the event of such disconnection, you will be responsible for the full charges to the end of the current term, including, without limitation, unbilled charges, plus a termination fee, if applicable, all of which will become immediately due and payable upon disconnection of your Service. If we believe that you have used the Service or the Equipment for an unlawful purpose, we may forward the relevant communication and other information, including your identity, to the appropriate authorities for investigation and prosecution. You hereby consent to our forwarding of any such communications and information to these authorities. In addition, Telemitra will provide information in response to law enforcement requests, lawful government requests, subpoenas, court orders, to protect its rights and property and in the case where failure to disclose the information may lead to imminent harm to the customer or others.

(b) Inappropriate Conduct. You shall not use the Service or the Equipment in any way that is threatening, abusive, harassing, defamatory, libelous, deceptive, fraudulent, invasive of another's privacy, or any similar behavior. We reserve the right to immediately disconnect your Service without notice, if, in our sole and absolute discretion, we determine that you have used the Service or the Equipment in any of the aforementioned ways. In the event of such disconnection, you will be responsible for the full charges to the end of the current term, including, without limitation, unbilled charges, plus a termination fee, if applicable, all of which will become immediately due and payable upon disconnection of your Service. If we believe that you have used the Service or the Equipment in any of the aforementioned ways, we may forward the relevant communication and other information, including your identity, to the appropriate authorities for investigation and prosecution. You hereby consent to our forwarding of any such communications and information to these authorities. In addition, Telemitra will provide information in response to law enforcement requests, subpoenas, court orders, to protect Telemitra's rights and property and in the case where failure to disclose the information may lead to imminent harm to the customer or others. Furthermore, Telemitra reserves all of its rights at law and equity to proceed against anyone who uses the Service illegally or improperly.

1.4 Copyright; Trademark; Unauthorized Usage of Equipment; Firmware or Software.

(a) Copyright; Trademark. The Service and Equipment and any firmware or software used to provide the Service, or provided to you in conjunction with providing the Service, or embedded in the Equipment, and all Service, information, documents and materials on our websites are protected by trademark, copyright or other intellectual property laws and international treaty provisions. All of our websites, corporate names, service marks, trademarks, trade names, logos and domain names (collectively "marks") are and will at all times remain our exclusive property. Nothing in this Agreement grants you the right or license to use any of our marks. For marketing designs created by Telemitra on behalf of Customer, Customer acknowledges that until such time as any fees are paid in full, copyright for any delivered materials remains with Telemitra. Each Vendor retains all right, title, and interest in Products and Services it supplies. Each Product remains the proprietary business asset of the supplying Vendor. Customer agrees not to allege that it owns any intellectual property rights, and shall not add any copyright legend on or in any Products.

1.5 Scope of Service.

a) The analysis, reports and presentation included in the Service shall not be recirculated, redistributed or published by Customer except for internal purposes without the prior written consent of Telemitra and where necessary, with certain sources of the information included in the Service.

b) Customer shall not use any of Telemitra's or its Affiliated Companies' or Vendors' trademarks, trade names, or service marks in any manner which creates the impression that such names and marks belong to or are identified with Customer, and Customer acknowledges that it has no ownership rights in and to any of these names and marks.

c) Customer acknowledges and agrees that Telemitra may delegate certain of its responsibilities, obligations, and duties under or in connection with this Agreement to a third party or an Affiliated Company of Telemitra, which may discharge those responsibilities, obligations and duties on behalf of Telemitra.

2. CHARGES; PAYMENTS; TAXES; DISCONNECTION

2.1 Billing. We will bill all charges, applicable taxes and surcharges monthly in advance (except for usage-based charges, which will be billed monthly in arrears, and any other charges which we decide to bill in arrears), including but not limited to: activation fees; monthly Service fees; usage charges; international usage charges; advanced feature charges; federal, state and/or local taxes; discontinuation fees; and shipping and handling charges. The amount of such fees and charges shall be available upon request and may change from time to time. Telemitra may introduce new products and services at special introductory pricing. Introductory pricing may change at Telemitra's discretion. Notification of monthly invoices will be sent to you via mail or your email address on file with us. Any

telecom usage charges will be billed in increments that are rounded up to the nearest minute unless otherwise set forth in the rate schedules provided upon request. Any hourly services will be billed in 15 minute increments unless otherwise specified in the Service Order.

2.2 Billing Disputes. You must notify us in writing within thirty (30) days after receiving your statement if you dispute any Telemitra charges on that statement or you will be deemed to have waived any right to contest such charges. All notices of disputed charges should be sent to:

**Telemitra
422 N Oak Ave
Pitman, NJ 08071**

2.3 Payment and Collection.

- (a) **Payment.** We bill in advance, except for usage on a monthly basis. Payment is due upon receipt. If payment is not received by the due date, a late fee of 1.5% of the unpaid balance will apply.
- (b) **Collection.** If your Service is disconnected, you will remain fully liable to us for all charges pursuant to this Agreement and any and all costs we incur to collect such amounts, including, without limitation, collection costs and attorney's fees.
- (c) **Notices.** Telemitra will provide ten days advance notice prior to discontinuation of service.

2.4 Disconnection; Discontinuance of Service. We reserve the right to suspend or discontinue the Service generally, or to disconnect your Service or a service component, at any time in our sole and absolute discretion. If we discontinue the Service generally, or disconnect your Service without a stated reason, you will only be responsible for charges accrued through the date of disconnection, including a pro-rated portion of the final month's charges. If your Service is disconnected on account of your breach of any provision of this Agreement, you will be responsible for the full charges to the end of the current term, including, without limitation, unbilled charges, plus the termination fee, if applicable, all of which will immediately become due and payable. Telemitra will pursue collection for unpaid amounts on disconnected accounts and may report to credit bureaus.

2.5 Taxes. State and local governments may assess taxes, surcharges and/or fees on your use of Telemitra Service. These charges may be a flat fee or a percentage of your Telemitra charges and may change from time to time without notice. These charges are based on the rates applicable to the address you provided to us. You are responsible for all applicable federal, state, provincial, municipal, local, or other governmental sales, use, excise, value-added, personal property, public utility or other taxes, fees, or charges now in force or enacted in the future, that arise from or as a result of your subscription or use or payment for the Service or equipment. Such amounts are in addition to payment for the Service or equipment and will be billed to you as set forth in this Agreement. If Telemitra is not aware of the tax at the time of billing, and fails to include such taxes, fees, or charges in the original invoice, Customer is still liable for payment of said amounts. If you are exempt from payment of such taxes, you must provide us with an original certificate that satisfies applicable legal requirements attesting to tax exempt status. Tax exemption will only apply from and after the date we receive such certificate.
